Q1 2024 M&A / Financial Advisory Intern (f/m/d) - Frankfurt / Munich for 10-12 weeks -

Lazard is one of the world's leading financial advisory and asset management firms. **Our people make the difference.** With just over 3,000 employees, our tight-knit community allows for professionals eager to learn and willing to teach to connect and grow together. We believe that diversity, equity, inclusion, and allyship are not just business imperatives — they are central pillars of our employee experience. Our entrepreneurial culture and flat structure allow creative ideas and original concepts to drive our business forward — and for careers to take flight.

Through our financial advisory business, Lazard advises clients around the world on strategic and financial matters including mergers and acquisitions, restructurings, capital structure and capital raising. Our client relationships are built on trust and discretion. As the world's largest advisory-focused firm, we have exceptional depth of expertise across industry sectors and geographies. We value the rich diversity that comes from blending local perspective with our global network.

For our young and motivated team in Germany we are looking for candidates who aim to start their career in the field of M&A / Financial Advisory in Frankfurt or Munich upon graduation.

We'll trust you to:

- Perform financial analyses
- Support valuation analyses
- Prepare client presentations
- Assist in marketing efforts
- Conduct research

You'll need to have:

- An outstanding academic performance in your undergraduate (second half) or graduate studies in Business Administration, Economics, Finance, Management or a related discipline (candidates with a technical or legal background are also very welcome)
- An intellectual curiosity
- An analytical, original and conceptual thinking, a strong commitment, a high self-motivation and the ability and desire to work as part of a team
- A mature and self-confident appearance
- Excellent oral and written communication skills
- An English fluency
- A global perspective

What we offer

We strive to enhance the total health and well-being of our employees through comprehensive, competitive benefits. Our goal is to offer a highly individualized employee experience that enables you to balance your commitments to career, family, and community. When you work for Lazard, you are working for an organization that cares about your unique talents and passions and will continue to invest in the development of your career.

Does this sound like you?

Apply! Since we recruit on a rolling basis we recommend to apply as soon as possible.

[Please click here to submit your application for Q1 2024.](#)

Please note that we can only consider candidates (m/f/d) for this period who aim to start their full-time career by Summer 2024 or 2025 at the latest.
